HappyColor[®] ACQUA e o vopsea acrilica pe baza de apa pt. interior si exterior de inalta calitate, stralucire unica si putere optima de acoperire pe lemn, metale, ceramic, sticla, POLISTIREN EXPANDAT, carton, stofe si multe tipuri de plastic. Poate fi folosit chiar pt. vopsirea jucariilor deoarece respecta normele europene DIN EN 71-3. Se usuca rapid, e rezistent, elastic, nu se ingalbeneste, e tixotrop. E practic inodor. Duza speciala permite o difuzare foarte uniforma. Contine pigmenti FARA PLUMB, FARA CADMIU, FARA CROM. Rezistenta ridicata la lumina. Agentul propulsor nu dauneaza stratului de ozon; apa e principalul solvent.

STAND HAPPY COLOR ACQUA DE 105 TUBURI.

88.146.001
